

Help keep your voter registration up to date.

If you are registered at a previous address, please fill out and send in this form so that your inaccurate registration can be "cancelled" prior to the next election. Tell friends & family to check theirs as well.

1. Check to see if you are registered:

Illinois State Board of Elections: <https://www.elections.il.gov>

Under "Voter Services" click on "Online Voter Registration"

Click on "Voter Registration Lookup." Check your name and previous address.

2. If registered, it will give you a link to the Election Authority for your former address. Follow the link to find the former Election Authority's contact information and address.

3. Send or take this signed form in to the former Election Authority.
